Sturminster Newton,

Dorset 29th Sept 1886

Dear General Pitt-Rivers,

Sherton has the address
of the fence people & can send
a post by ordering direct from
them, his letter came on Monday
& I ordered it by that post
& have just received this morning
a letter saying the 65 yards
shall be sent on at once but
I have again written saying that

there should not be a moment's
delay -

I remain

Your obedient servant

Alfred Leech
