

B194

Sturminster Newton,

Dorset 14th Feb. 1886

Dear General Pitt Rivers,

It would be quite unnecessary to make any special stipulation as to the rent charged such as you suggest when making any allowances on rents for 2 or 3 years as the likes of your Farm Grants are

made payable to you as an
additional rent to the rack

rents - I am just leaving home
for Boston as I have your
letter this morning & this shall
have my early attention -

Yours

Yours obedt. Servt.

Alfred
