

Sturminster Newton,

Dorset 27<sup>th</sup> Janry 1887

Dear General Pitt-Rivers,

I find there are several things I must speak to Mr Campbell about before I can close his accounts & this I shall do when at Bournemouth to-morrow (Friday) -

I will <sup>call</sup> at the Anas at 2 o'clock & if I do not find you there go to you wherever you may be  
I remain your obedient servant
