

Sturminster Newton,

Dorset 19<sup>th</sup> July 1887

Dear General Pitt-Rivers,

I have made it generally  
known in Sturminster and  
surrounding parishes that your  
son has no connection whatever  
with you & shall take every  
opportunity of letting every one  
know this as you wished, I also  
intend to get a paragraph in

the County Papers if possible under  
the ordinary news so this will I think  
be the better way to act.

I remain

Your very obedt. Servant

Al. Rice
