

Sturminster Newton,

Dorset 16th March 1887

Dear General Pitt-Rivers,

We have by far the deepest
 snow here we have had this
 winter, I had intended going
 to Bournemouth to-morrow but thought
 perhaps there would be some
 difficulty in getting there I don't
 say however I shall be able to do
 so by Saturday as the snow now
 gets powerful. I remain

Yours best servant
 A. B. C. C. C.
