Sturminster Newton,

Dorset 18<sup>th</sup> May 1887

Dear General Pitt-Rivers,

In enquiring I found that  
it seems you did not go to  
the Hambro, only Lord Herbert,  
and he has not attended any  
meeting or come into Dorsetshire  
at all as far as I am  
know, he did not attend the  
meeting of the Association held at

Sturbridge last week either altho'  
at each meeting he was elected  
to one of the several Vice Presidents  
of the Liberal or Radical Association.

Had I found you or had  
been there I should have written  
as I have said.

I am to be at Dedham on  
Saturday morning next.

Yours at all times  
Affectionately
