Dear General Pitt-Rivers,

I enclose a report of
expenses estimated to be incurred
I also so to charge of the accounts.

You will observe the health of the
Farms are let on the terms you
have several times approved of.
I think I shall be able to submit
you a fair offer for the Farms

in a few posts.

I got a short letter from Mr. Hamby a few days ago but he did not give me any particulars or details. I enclose a copy of my reply, as yet I have not heard further from him but I have heard from other private sources that Hamby cannot deal with the Land you require as it is mortgaged to his wife's sister

for £1000. I dare say I shall get some further particulars shortly but it is hard to tell how to act with such people, I am however getting all the information I can -

My draft rental for 1886 is completed and a fair copy for you is in a forward state and will be completed in a fortnight & shall then go to you direct as you desire, I wrote to Mr. Finner
