My dear Sir

As some lady-friends of mine have expressed a wish to see the Larmer Tree, Grounds &c And also witness the Illuminations on the 10th inst. I am writing to ask you if it is possible for me to take say a party of twelve over there on the above date. And to allowed to see the Jubal Festivities without being regarded as intruders?

I need scarcely say that it is far from our wish to trespass in any way upon the hospitality of the occasion: the rights alone being what we care about.

If you can assist me to a proper pass without its being outrageous.

I shall feel much obliged

And beg to remain &c.

Copy of Letter written to the Hon^{ble}.
W^{ts}. Pitt. Rivers and addressed to
"The Palace, Salisbury", on Friday the
5th. of August inst.

Sturminster Newton

Dorset. August 5. 1887.

Dear W^{ts}. Pitt. Rivers.

I beg to th^{ank} you
for the Lithograph Letter of the
Queen which I will give to my
wife to show to the Subscribers as
soon as she is well enough, but I
regret to say she has been very ill
for a few days past, I trust however
now she will soon be better.

I have asked many of the Lieutenants
to the Larmer Tree on the 10th,
but as it is such a distance & such
a busy period of the year, that
none have accepted the Cards of
invitation, although pleased with
the offer, I shall however be still
seeing more for a few days, should
any one from this locality be
likely to be present, I will at once
communicate with you.

I address this to the Palace

Salisbury as you desire &

Believe me

Your very obedient servant.
