Dear General Pitt-Rivers,

I have this day provided
to Messrs. Amson & Co the £500
so that it will appear in your
account before the end of the year.

I have attended to the letter
you forwarded me as to the Amman
market.

I have written to Mr Campbell
to let me have his list of dead

stock lists at the end of the year
on Monday next when I will get
my book ready and at once go
over the same.

I remain
