Sturminster Newton,
Blandford 4th July - 1888

Dear General Pitt Rivers,

I have had a long conversation with Mr. Harris in reference to the cottage at Dunchrome today & if there should be any Smith that these people are of bad character they will be got rid of, in fact he has not accepted them as tenants as yet, I cannot however but think that if these the

statements are true but we should care to have heard of it from some quarter or other, I think to ask the Police constable myself -

I saw Mr. Harris on Wednesday last as arranged as to his interview with Mr. Smith & it was decided that I was to meet Mr. H. and show him with the notes and speak Sunday was fixed for the purpose but as I was away on that day it was postponed until

to-day & I have no other business
I send the formal notice and I will
give you further particulars on Friday
& also as to the bargains at Cheselton.

I had Campbell's stock accounts
sent me on Thursday and on
Thursday for going over the same
but as I have 2 persons coming
here tomorrow I cannot go there until
Friday and unless I hear to the
contrary I shall be there no close
upon 11 o'clock as possible; if I do

not see you on the 20th I will
call at the House in the afternoon.

I remain

Yours very obdt. Servant

Alfred

P.S. I thank you very much for your
wishes for the new year which
I fully reciprocate
