Sturminster Newton,

Dorset 20th July 1888

Dear General Pitt-Rivers,

As Mr Campbell had told
me he should be at Blandford
to-day in case I wanted to see
him and as there ^{was} two or three
things I wished to see him about
before I could close the accounts
I have met him there and shall now
I think be able to get them ready
to send you by to-morrow night's post

and on Sunday I am going will go
to Anstons.

I have heard from you and also
from Arthur.

Yours

Your very obedt. Servant

Alfred
