Sturminster Newton,

Dorset 8th July 1888

Dear General Pitt-Rivers,

The credits are winding
up fairly well and I shall be
able to do as I have done before
for the past two or three years
namely pay over a further sum
of £1500 on Tuesday next
which will make £4500
together - I will be with remaining

a day for going to Dishmore for

morning.

From me

Your very obedt Servant

Alexander
