finished - & we shall be glad of their room -

There is another matter R. I want to bring before you - We have, virtually purchased the Beckford Estates in Shillington, & Stourpaine - though the purchase will not actually be completed till June 25 - There is a piece of

land, about 40 acres, between the old Hoston road, & Pimperne fosse, lately occupied by Mr Lewis, of Ash - wh. will become ours - & if you like, for your own convenience, either to buy, ^{it} rent, or exchange with us for it, we are quite willing to do so - Please let me hear about this -

Yours very truly
W. & B. Portman
