Dear General Pitt Rivers,

I have paid over your

to tell him so, this subscription
has been hitherto paid for the
current year in the month of
August & this is the time I have
had the circular applying for it and

norms had reached me as yet this
year -

I shall on Thursday pay over
£500 to Messrs. Anson & Co.

I have communicated with
Mr. Denny as to a site for our
old fellows' Hall at Hornsey
& will get full particulars from him
I bring it before you -

I had intended going to
Hornsey & Anson's to-morrow

(Wednesday, but as I find you may
probably be at Rochester I will
defer doing so until I return from
home where I am from Thursday
