Sturminster Newton,

Dorset 22<sup>nd</sup> July - 1888

Dear General Pitt-Rivers,

I have thought it better to stop my work at the Old Ash Lane until the matter of building the rooms is decided, I think myself that it would be a good plan to build a sitting room with a good bed-room over at the lower side of the Stone by the Stone provided the Society will pay

interest in the outlay but this is  
the spot that I intended to put  
the new stable & coach house  
& so utilize the walls already  
there, should the rooms be built  
the stable to meet be ~~added~~  
built at the back in the yard.

I am in communication with Mr.  
Doy on the subject & will see him  
as soon as I can.

The weather is still bad but  
I hope it will soon be better as it

will be a serious matter.

I address this to Governor  
Gardens presuming you will have  
returned there by this time.

I remain

Yours very obedient servant  
Alfred
