Sturminster Newton,

Dorset 24th Oct - 1888

Dear General Pitt-Rivers,

Mr Day certainly acted
in a most very extraordinary way
by not coming to speak to you
when you sent for him and
I should think there must have
been some reason for it or
something wrong with him but
I shall be at the House in a

few days when I will question him
about it and hear what explanation
he has to give - He is I found
when there last week obliged to
stay in the top room continually
as his wife is unwell whilst the
work is going on & he has no
one there but himself -

I shall remit another £1000
to Messrs Danson on Saturday -

I remain

Your obed^t. Servant
A. J. C. C. C.
