Sturminster Newton,

Dorset 28th Nov - 1888

Dear General Pitt-Rivers,

I have this day had 1
copy of the list of voters for
the Sturminster Division sent me
& which I have forwarded by
Book-post, I ordered 2 copies
but only one has come as yet, I
suppose at least 6 copies will be
required the cost is 9/6 each -
and the total number
of electors

to be 545 and I told you that
I expected Sturdley & Farnham
would be ~~about~~ nearly a
half but I find the population is
100 less & the number of voters 47
less than the other Parishes, the
figures are as following

Sturdley & Farnham 249

Other Parishes — 296

545

I remain
Yours obedt. Servant
A. Reece
