Dear General Pitt-Rivers,

I have asked many persons  
as to Mr. Stone's qualification for  
the County Council and it was  
also talked over at a Board  
meeting I attended and all say  
they are positive he is only  
qualified but I have not been  
able to ascertain the exact nature

of the qualification, of course the  
Returning Officer will satisfy himself  
on this point, if there was any a  
doubt about it some little time  
ago Lord Abington would have  
before now have given him some  
small Property to make it secure,  
after he was married as he  
had no residence in the County  
I understood Lord Abington built  
him some rooms on the east side

of the Stone at which for him to  
occupy this property may be  
sufficient but I will try ascertain  
further to-morrow and if more  
required - I remain

Your very obedt. Servant  
Alfred
