Dear General Pitt-Rivers,

In receipt of your letter  
I wrote to Mr Green asking him  
if he could be at Amshurst on  
Friday thinking you would wish  
to see him in reference to the  
sheet he at Stinton which you  
desired me to see about and I have

from him this morning that he will  
be there by half past 11 to-morrow  
by which time I will also be there.

I remain
