Sturminster Newton,

Dorset Feb'y 13<sup>th</sup>. 1889.

Dear General Pitt Rivers.

Your letter of  
the 11<sup>th</sup>. just only arrived  
this morning, as my  
Father was leaving home  
for London, to fulfil an  
engagement made some  
days since with Messrs.  
Harver, and he desired  
me to write and say,  
that he would immediately

communicate with you on  
his return.

The acreage of the Farm  
formerly occupied by Mr.  
Lewis is, 517 a. 2 r. 28 p.

I remain,

Your very obedient servant.

A. W. H. L. L. L.
