Sturminster Newton,

Dorset 15<sup>th</sup> July 1889

Dear General Pitt-Rivers,

I returned home this morning and I find that Mrs. Donne of Studley has written to say she will be here by the 11 o'clock train and Mr. Dennis a house servant has also responded to be here to-morrow morning I therefore propose going to

Northmore on Monday unless I hear  
you are coming to Stinton -

I remain

Your obed<sup>t</sup>. Servant

Alfred
