Sturminster Newton,

Dorset 26<sup>th</sup> Febry 1889

Dear General Pitt-Rivers,

The Lake Property was  
numbered on the 6in. sheets  
as you will recollect and it has  
now on about 10 different sheets  
but as this was too small we  
then got the 25 in. as you  
wished this about doubled the  
number of sheets and they will

all shortly be completed and I  
hope to have two or three of them  
checked ready for you soon in a  
few days and will forward them.

Col. Pether has not replied  
to my letter, several Lancers have  
been summoned for newspapering  
and if my horse riot it is of  
course his fault.

Yours

Yours very obedt. Servant  
Alfred
