Sturminster Newton,

Dorset 9<sup>th</sup> June 1889

Dear General Pitt-Rivers,

I have been through Mr. Campbell's accounts and with a few slight exceptions find the same correct, it is a very favourable account and by far the best he has ever shown.

It will be necessary to make a cash account to show him

be done with you but I cannot  
do this without a list of all  
charges you have paid for bills,  
labour &c which belongs to  
the year 1888 embraced in  
the account, if you will kindly  
forward this I can complete &  
return the accounts at once.

I remain

Yours very obedt. Servant

W. J. Peck
