Your very obedt. Servant

(B344)

Sturminster Newton,

Dorset 26th July 1889

Dear General Pitt-Rivers,

I have sent Mr Kingdon  
£5 as you desired and much  
hope he may succeeed.

I have also received your  
letter of the 23rd inst. as to  
claiming a vote for Mr Pitt, this  
cannot possibly be done in the  
present list as Mr Pitt must  
sign the claim notice himself and

this must be done and the notice  
served on the executors before the  
20th of July and then Mr Dillo's  
qualification would not be good  
as he must be rated to Insolvency  
at least 6 months prior to getting  
~~making the claim~~ a rating  
qualification and as to ownership  
it would be necessary that you  
should execute a Deed of Gift  
in his favor some time previous  
to his making the claim in order

to qualify him, I will take care to  
mention the matter to you in order  
that this may be carried out on  
the next year's list, I presume there  
is not the slightest chance of  
an election before that

The audits have commenced  
fairly well & I shall make you  
the first remittance of £2,500  
on the 31st of July.

I much hope the weather will  
now improve as Tom is now badly  
winded for the 6th especially
