have further interviews with each  
shortly -

The only other way <sup>that</sup> can be  
adopted for Mr Pitt to secure a  
vote will be by executing a  
Deed of Gift in his favour of  
some small Property in each  
Division where he wished to vote.

I am glad to say we have a  
nice change in the weather today -

Dear General Pitt-Rivers,

Of course I quite understood  
that no decision was arrived at  
on Thursday respecting Messrs  
Kallo, Pike & Sprake but before  
a decision was arrived at I was  
to ascertain the actual cost of  
a small House at Illecombe and  
also if there was a probability of  
~~the~~ the Graves taking Pitt's

Income at about or near the present  
rent - As regards Walter I do not  
think the Income must be considered  
in connection with his rent at  
all as the Income is an actual  
necessity & if he leaves the  
outlay must be made for some-  
one else -

I do not myself consider  
it much of a crisis as the total  
restrictions asked by all tenancy  
incomes to £350 & I have never

since you sanctioned the percentages  
allowed as much as you sanctioned  
by from £300 to £400 a  
year, of course the way to  
look at it is that if old ~~and~~ or  
desirable tenants (except perhaps  
Dike) be got rid of will other  
good tenants be forthcoming at  
the present rents? and another  
point is that new tenants always  
require a larger outlay in respect
