Sturminster Newton,

Dorset 29th Nov 1889

Dear General Pitt-Rivers,

I also heard from Mr. Pike by the same post that I had your letter & I have answered it and am expecting a reply & which I will take to Anstmore with me together with full particulars. I had hoped

to have gone to Anstonsore to-morrow
but then I slept in a dump bed
at home and have not got over
the chill I have had but I hope
to be able to go on Monday
or Tuesday at the latest -

I remain

Your obedient servant
