Sturminster Newton,

Dorset 10th Decr - 1889

Dear Sir,

Mr Brewer has made
out the two months accounts fresh
& corrected the same and also
altered the prices of the Hay,
Straw & Vats & I am enclosing the
same -

My object in writing chiefly
is to enclose a letter which has
reached me from the Island Revenue

Officers at Shaftesbury, I have
answered him by telling him that
I have forwarded the letter to you
in order that the matter be
attended to, of course if there
were 12 subject to the Duty an
additional licence must be at
once taken out -

I remain

Yours truly

Alfred
