Sturminster Newton,

Dorset 21st Decr 1889

Dear General Pitt-Rivers,

Since my return from
Aushmore we have been
working day and night at
the account and we are
certainly making very satisfactory
progress and I do not think
now think but what we shall
be able to finish it by the last

of February and I will get it
home by that day but of course
other work must be put aside
for it -

Yr obedient Servant

Alfred
