Dear General Pitt-Rivers
I find we have
neither Surpayan Deer
nor Japanese Deer
available at present.
But a Mr. E. A.
Williams, Springfield,
Christ-Church Road,
Cheltenham, writes to

us offering to sell us
16 Imperial Thrushes
just imported from
India, for the moderate
sum of £50 the lot.
So if you are wishing
to try the experiment
of introducing these
birds to Dorsetshire,
this is a good chance

We have declined the
offer having a pair
of the birds, and not
requiring so many. But
the price is low, if
the birds are good.

Yours very truly
P. L. Sclater
Gen. Pitt-Rivers F.R.S.
