Dear Sir "Rushmore"

We had a gentleman with us yesterday who is desirous of renting a good, furnished mansion in Wiltshire; he has already been over several in the County, introduced to him by us, neither of which however would suit him, & he stated that whilst in the neighbourhood he had heard that you might probably be inclined

to let Rushmore, & that if such were the case, he would run down & inspect it.

Will you kindly let us know whether you are disposed to let? if so, & you will let us have full particulars as to accommodation & rent, we will forward same on to the gentleman in question, & if you desire, shall be pleased to give you his name in confidence.

Awaiting the favor of a reply,  
Yours obediently

Mabbett & Edge
