Madam

4 Grosvenor Gardens

In reply to your letter, we have made repeated endeavours to arrange a satisfactory settlement of this matter, but unfortunately have been unsuccessful & we have only to day written Mr. Cruick to say that the only thing left, is for the Gen<sup>l</sup>. to enforce payment by law

of the balance due £9.12.9. We quite agree with your view of the matter and have urged every argument to avoid unpleasantness

We have communicated with Lord Wolseley as to the Picture.

We enclose statement of accounts and cheque to balance

In reply to your letter we beg to say that we only inspected the ladders at the above & reported to you thereon with estimates for new ones - but we have never been instructed to inspect them since they have been renewed. if you so desire we can inspect them, & report to you as we well remember the unsafe condition
