Rawlance has

with reference to the
sale of Chase Farm &
woods to you. and his
lordship is disposed
to sell at such a
price as we may

advise him to be
reasonable & proper.

But it is just desirable

with some one of
accuracy what you
would like to acquire.

Could you send us
the list with order

Dear General Pitt Rivers.

Would you mind telling me the address of the gentleman who was so earnest to get possession of your "Gainsborough." A chest of mine is thinking of selling some pictures and I should be glad to have an opportunity of seeing this gentleman in relation to the possible sale.

Lord Pembroke & yourself

We are awaiting the receipt of plans showing what you desire to purchase.

Yours very sincerely

Can you see them yet?

Dear General Pitt Rivers,

Thank you for the tracing of
the land the subject matter of our
recent correspondence.

I am scarcely able to make out
from your plan what area you
would wish to acquire, but as we
have received from Lord Pembroke's
agent the map of the Chase &
adjoining lands. I think you
will

best be able to define on these the
lands for which you would be
disposed to treat.

I enclose the map & series
which will enable you to
mark what may seem to you
desirable to acquire.

On hearing from you we
shall be glad to have a con-
ference on this matter.

Yours very sincerely,
Wm. P. Murray

p.s. The affair all round at the
Salisbury meetings is very scandalous.
