Honorable General Pitt Rivers

very much that I did not send you the Invoice separately

to open the boxes in vain I give you an extract of the invoice  
and hope that you as soon as possible will send me  
an answer.

I remain dear Sir  
most respectfully  
yours very truly

Honorable General Pitt Rivers

Dear Sir I beg to acknowledge the receipt of your favour of 22<sup>th</sup> wherein you did not inform me the receipt of my letter of 10<sup>th</sup> Aug - with a shorten list of the implements, but perhaps you did not find it sufficient, and I send you hereby a duplicate as you demand it.

Yours very truly

Honorable etc.

Referring you to my respectful of 1<sup>st</sup> Dec last year, I have now herewith the pleasure to forward you this magnificent and rich collection of Stone implements etc, which you would oblige me kindly to examine as I only have made a few remarks by some specimens in order to show largeness, though you will remark that the prices are very moderate, I shall be willing as you see at head, to give you the considerable deduction of 25 % cent in order to encourage you to take the lot, which must be together; but should you notwithstanding the great deduction not be willing to take the lot; I could also be willing to sell you a certain part of it and in this case you would oblige to tell me the number of the specimens you would keep, as I am not able to sell under a certain amount, previously I have placed Lst 133.9<sup>00</sup> to your debit and ~~not~~ wishing you a good receipt etc
