Dear Sir
I am this day in receipt of
yours dated 2nd. Am sorry I have

not a Catalogue.
The many Curios I have at above
address are from my Museum in New
Zealand.

I should be glad if when next
to London you could find time to
visit my rooms as I am sure there
are many things you would be
interested in.

The making of the New Zealand
Pebbles into Artistic Articles
has been my aim for many years.

I am now able to show fine specimens
of same.

I am dear Sir
Yours obediently
Frank Hyams.
