Dear Sir

We are duly in receipt of your favour 17 inst. Our lowest price for the Pagoda Tower (and carved base) is £30. packed ^{ready} for despatch. The tower is dissectible & can be easily put together again each part being numbered. We had an offer for this tower early in the summer of £50. but as we were unable to dispose of it till the close of the Exhibition the matter fell through.

We trust this price will meet your views & await to hear from you

Genl Pitt Rivers.

Yours truly
