Sir  
The Pitt Screens were carefully packed in a  
crate box (which please return) sent to Salisbury  
Station this day - I washed the Pitt and I think  
you will say they look two or three pounds better than  
they did yesterday - in making out your cheque  
I shall leave it in your kind hands to make it  
Fifteen guineas instead of fifteen pounds  
Yours very truly  
Wm Mullins
