Decr 22<sup>nd</sup> 1882.

To  
Genl Pitt-Rivers.

Sir, I beg to say I have just purchased a very curious Oriental shield, made of the semi transparent leather, of which I spoke when you called a few days since. It is very reasonable in price, & in first rate condition. I should be happy to shew it if favored with a call.

I am Sir,  
Your obedt. Servant,  
S. Willson
