Sir,

We are very much obliged for your
courteous letter, & should like to send
our Manager down on Monday next.
May we venture to ask whether you
could send a trap to Tisbury Station
to meet the 11-45 from town? It would
be a great convenience, as we fear it

will be impossible to get a conveyance
at Tisbury.

We also beg to ask whether you
could give a few minutes personal interview
to our Manager, on the Tuesday morning.
Once more thanking you for your kindness

We are, Sir,

Your obed. servants.

WALERY, LIMITED.

Wm Walery, Managing Director.
