Rushmore, Salisbury, England.

Dear Sir:-

When your son was in this country he bought of The Watson Man'f'g Co a mower which he failed to pay for. We understand that you took over his assets in this country and that you are a man of honor. If this be the case you will settle this debt which your son promised several times to pay.

The amount now due is made up as follows:-

Amount of judgment at Feb 23/91	88.10
Costs of Execution	3.00
Interest from Feb 23/91 to July 1/92 at 6%	8.10
	<u>\$99.20</u>

Yours truly.
