Dear Sir,

We are in receipt of your letter Feb 2nd, and are much surprised that you should require the Ye to stand over any longer, as we are quite sure the pictures, if they came into our possession, were delivered at Rushmore.

We are glad to hear the picture of Lord Rivers has been found.

As you do not care to pay the whole amount just yet, shall feel obliged if you will send us a cheque for £150 on account

We are, Dear Sir

Your Obedient Servants.
