

8546
May-6.97. 189

Mess^{rs}. W. Gulliver & Son
beg to acknowledge with thanks the
receipt of General Pitt-Rivers's order
of May 5.th

They regret to learn the last pills
were not silvered as usual, they cannot
account for it as they were made just
the same as usual.

These have received their special
attention and they trust will prove
satisfactory in every way.
