

Sturminster Newton,

Blandford 29th Nov 1884

Dear General Pitt-Rivers,

When seeing Mr Freeman
 a few days ago I mentioned the
 road matter to him & asked him
 to let me know how it was getting
 on, I have now sent him a copy
 of your letter & I dare say he will
 write you, there are a lot of
 formalities to be gone through
 which takes up time - I do not

think it would do to begin the
road. but I can see no reason
why the stone cannot be removed
to the side ready for use.

I remain

Yours very obedt. servant

Alfred
