WALL VICARAGE,
LICHFIELD.

Dear Sir,

I have heard from the
Bishop of Salisbury's secretary
who tells me that it will be
necessary for me, at the time of
my institution to Shroton, to
have a deed of presentation from
you. May I ask you to be so
kind as to see about this?
I shall probably be instituted.

WALL VIOBRAGE

to Shroton about the middle
of June, & should not require
the deed of presentation till
then.

I send you on the enclosed
paper my full name &c. which
will, I should suppose, have to
be inserted in the deed.

I am very sorry to have to
trouble you about it.

My wife & I were at Shroton
the beginning of the week &
were much pleased with all
we heard & saw about the
parish - We stayed at Sir
Talbot Baker's & both he &
Lady Baker were exceedingly
kind to us.

Mr. Truell was here last
week & seemed to be very
well satisfied with this
place. I feel the very

John Henry Lonsdale.
