My dear Sir,

On behalf of the Council of Mason College, Birmingham, I beg to tender to you our best thanks for your munificent donation of the 3 volumes of "Excavations in Cranborne Chase &c" to our library. Not only will the volumes be for the perusal of our students, but they will be open to a considerable number of readers who have the use of the library for purposes of study. If in the future, the volumes are continued, may I express the hope that we may also be favoured by similar gifts of the succeeding volumes? Believe me, dear Sir,  
Lieutenant General A. Pitt-Rivers, F.R.S.,  
Rushmore,  
Salisbury.
