My dear Sir

I have heard from
Mr Watson that you would
like to have this lock for
June 28th; would you wish
the bunch of springs with it?

and would you like the
Ransom padlock which I
found at the Camp at

Trekester? I will do ascertain
with precision ^{& then} give the former

were found.

I will, on receipt of your
answer send them (perilled land)
addressed to Mr Knight-Watson.

Yours truly
W. S. Baker.
