

L1034

2 Aug - 1894.

BRITISH MUSEUM,

LONDON: W.C.

Dear General Pitt Rivers

I enclose a short account
of the four Devarajas, some
of which maybe of use to
you. I forget what attri-
butes your four hold, but
you may be able to
identify them. The varia-
tions of these Buddhist
representations in different
countries & periods are

apparently end her and
certainly exasperating.

Your truly
Charles A. Reed
