Dear Gen. Rivett

I thank you very much
for your kind letter, the
visit will be a great treat
to these London Lads, we
shall hope to be at the
Museum by 12 on Monday
if it is fine, & then go
on to the Larmer Tree for
dinner wh. we would
bring with us, the party
would be over 100 - & I

will write to the
Care taker. I must
also thank you for the
Book you have sent
which will be a most
excellent assistance,
should you be able to
visit us at either place,
especially the Museum,
it would indeed be a
pleasure to them all.

& valuable instructions -

Believe me

Yours truly

John Aiton
