the remains of a some-

We have one part of
your 'Excavations in Chase
-burne Chase' in the
collection of books at
Colchester belonging to
the Essex Archaeological

other parts should also

a small committee of
the Council is trying to

get it in order. We

interesting & important
books, transactions of
Soc: & so on but un-
fortunately many are
incomplete. We shall
have some difficulty
in completion.

I hardly like to ask you
to give the Essex Arch. Soc.
your valuable works but
if you can spare us
a copy we shall much
esteem them.
In this neighbourhood we
