

Duston Iron Ore Mines.

L103 Northampton.

2nd July 1883.

Gen^l Pitt-Rivers
4 Grosvenor Gardens
London

Dear Sir,
I am sorry I did not see you here on Saturday but as I had to meet a gentleman in the town I left the works about 12.30.

Should you be in Northampton again shortly I should like to see you if you would let me know

about when you might probably be here

Northampton Museum (at the Town Hall) contains a lot of Roman remains found at these works

Yours truly
E. Saunders
