Sept-17-94

My dear Maud,  
I have just heard  
from my parents that  
my cousin driver named  
Farrie says he has been  
enjoyed by your Maam  
David who lives  
at your house at the  
farmers as an inquiry  
man in your service.  
I don't wish to see you

have been told of  
this. but expect  
Farrier must have  
told David that he  
was going to leave us,  
which he has never  
given me any notice  
to quit. nor has he  
ever said he was  
disappointed with  
his place here. when  
he has been for 7 or 8  
years if not more.

I have not spoken  
to him about it -  
but thought better  
to write to you direct.  
He has a wife & five  
young children  
Yours very truly  
Wm F. Jones
